

Do You Know Any Of These People? An Exhibition of Portraits by Bryan Walwork

at Whyte's Framing and Gallery - Wednesday, July 17 to Saturday, July 28

meet the photographer on Saturday, July 21 from 2:00 to 4:00

Bryan Walwork enjoyed photographing people long before retiring to the Comox Valley in 2002. Since moving here he has met many people and made lots of new friends, many of whom have become subjects for his portraits.

This exhibition is an opportunity for people to enjoy some of his portrait work and to perhaps see someone they know who has been photographed by Bryan.

A mixture of colour and black & white prints will be on display. His preferred medium for portraits is Black & White, but sometimes an image benefits from being printed in colour.
